

Albums

How do I create a new album?

1st Option

- In the app, click on the person icon in the top right hand corner on the main screen.
- Once the menu is opened, click on the My Albums link.
- There you will see your albums and shared albums tabs. Click on the + sign in the top right hand corner

2nd Option

- Go to your profile, by clicking on the menu icon in top right hand corner of main timeline and click profile.
- Then on the profile page, click on the 3 dots in the top right corner to open the profile menu.
- You will see an option there that says New Album.

3rd Option

- When you post an item, it will take you to the post screen to add details and select an album.
- Once on the post screen, click the + sign above the albums in the bottom right corner to create a new album.
