

Payments and Fees

Are there fees to use OfficialMe?

For personal and regular creator accounts, OfficialMe is free to use. It's a social networking platform.

OfficialMe only has fees for creators who want to monetize their content with subscriptions. If you signed up as a creator you can apply to have tips and fan subscriptions so you can charge for monthly access to your content.

Paid creators don't pay anything until they start earning. We will then just take a small percentage of your subscriptions.

You can find more information at <https://www.officialme.com/accounts/creator/info/>
