

# General Info

## How to add or follow people?

- Do a search from the search icon in top menu from the home screen. Once someone comes up you'd like to add, click on the plus sign to the right.
- You can also go to their profile and click on the the **Add+** button in the profile header to follow them.

**Note:** Private accounts require approval before you are accepted and it will have a minus sign indicated there if this is required.
