

# Getting Started With OfficialMe

## How do you pay for a creator subscription?

1. On the website, go to the home screen and click on **My Subscriptions** in the left side menu. It will reveal a Your Cards link to add a credit card to your account. Once added, you'll easily be able to signup to any content creator subscriptions from their profile using the **Official Follow** buttons.
2. From the mobile app, open the side menu using the Hamburger icon and click on Subscriptions. Once the page opens click the link at the top that says Payment Cards.
