

Managing Your Media

How do I move a file to another album?

There are 2 ways you can move an item to another album.

- **1.** Go to the album with the current item in it you want to move.
- Long press the item, and a menu will display. Choose **Move media to album**
- Click on the album you want to move it to.
- **2.** Also if you are in the media viewer viewing this item click on the menu item in the top left corner and select **Move media to album**
- Click on the album you want to move it to.
